DISCOVER

The Power Of Innovation

Koi Hydraulics, 1995 yılından bu yana üstün Japon teknolojisi ile üretilmiş, ulusal ve uluslararası pazarda kendini kanıtlamış, 35.000'den fazla yedek parça ürün stoğu ile iş makineleri ve yer aldığı her sektörde hizmet vermektedir. Marka kurum kültürü ile kalite proseslerini bir araya getiren Koi Hydraulics, Türkiye'de ve uluslararası pazarda en çok tercih edilen iş makineleri yedek parça tedarikçisi olma konusunda ilerlemektedir.

Ürün performansı, ulaşılabilirlik, marka ürün güvenliği, sevkiyat ve satış sonrası destek unsurlarını bir araya getiren Koi Hydraulics, müşterilerinin ihtiyaçları doğrultusunda özel çözümler hazırlamakta ve ürün tedarik süreçlerinin tamamında yarattığı inovasyon ile müşterilerine benzersiz bir deneyim sunmaktadır.

Since 1995, Koi Hydraulics has been established in the national and international market with its superior Japanese technology and has been providing service about in construction machinery sector with more than 35.000 spare parts stock. Koi Hydraulics, quality processes and corporate culture is moving towards being the most preferred construction machinery hydraulic pump spare parts suppliers in Turkey and international markets as the brand that brings together.

Bringing together product performance, accessibility, brand product trusty, shipment and after-sales support, Koi Hydraulics provides nominative solutions in line with the needs of its customers and offers a unique experience to its customers through the innovation created throughout the product supply processes.
